#### **Information for dancers**

##### ***Participation***

All members of United Dance Almere are participating! After 5 May, changing classes from age 6+ is no longer possible. We assume that everyone will participate. **If you really can't make it, please let us know before Friday 18 April per e-mail.** It is very important to know this because of all the preparations.

The costumes and accessories are provided by UDA, for which no fee is requested. Everything therefore remains the property of the dance school. However, we do sometimes ask you to use certain basic clothing such as a black shirt, leggings or balletleotard and your own dancing shoes.

##### ***Rehearsals and shows on Saturday 28 june & Sunday 29 june (and for some groups on Friday 27 june)***

Before the actual show, there is a final rehearsal on the big stage. This rehearsal is incredibly important for all the details. **All dancers must be present!** The General Rehearsals are in the theatre and not at the dance school. Parents bring their children to the door of the backstage entrance of the theatre. The backstage entrance is outside on the right side next to the theatre. The pick-up of the dancers is again at this door.

There are groups that do their General Rehearsal before their show, but there are also groups that have their General Rehearsal on **Friday 27 June**. In the overview at the end of this letter you will see the schedule of the General Rehearsals. All dancers bring their own food and drinks!

Please note: Are you dancing in both shows on Saturday 28 june than you will stay backstage until the last performance is over.

**Don't forget to bring:** The right danceshoes (for example Tapshoes, dancesneakers or balletshoes). Black socks that fit in your danceshoes. Hairbrush, rubber bands and sliders. Enough food and drinks.

**Leave at home:** Jewellery (you should not wear these while dancing). Valuables. Also, nail polish should be removed beforehand. Coloured socks.

#### **Help parents wanted**

This day, however spectacular, can never have the intended success without help. There are too many children to oversee it by ourselves. That is why we are appealing to you!

We are looking for helpers to accompany the dancers backstage at the final shows. Of course, it is possible to come and help at 1, 2 or 3 shows. As a helping parent, you do not need a ticket, but you can watch your child's performance up close. We are very grateful to all help parents!
